- Sweatshirt
- Rain jacket (optional)
- Day Pack (optional)
- Shoes
- Sandals/Water Shoes (Optional)

One-Night Campout Equipment List

- Same as Day Camp Equipment
- Sleeping Bag (AAC has a few sleeping bags to borrow/rent, but we will need to dry clean after use)
- Flashlight
- Warm Clothes (The temperature will likely be in the 40s at night)
 - Pants
 - Sweatshirt/Sweater
 - Jacket
 - Gloves (optional)
 - Ski Hat (optional)
 - Long Underwear (optional)
- Extra Socks
- Change of clothes
- Pillow
- Sleeping Pad (AAC has many sleeping pads, simply let us know you will need to borrow one so we can set it aside for you)
- Toothbrush/Paste
- Other toiletries
- Medications (If campers are bringing any medications, this must be discussed with AAC directors prior to the trip).

Please note: No electronic entertainment equipment permitted such as: Ipod's, electronic games, computers, etc. Cell phones are unnecessary and must remain off and stored in a locked container. We seek to provide a genuine outdoor experience while maintaining a group dynamic that would be altered if the campers used electronic games, music players and cell phones.

Thanks!
